The vision for Skye Niseko is simple: to create a one-of-a-kind sanctuary where contemporary design and peerless location combine to form an unparalleled standard of modern living. Every moment in Skye Niseko is designed to be one of exquisite enjoyment and fulfillment, matching its exclusive status as the first privately owned residence wholly located in one of Japan's most spectacular national parks. The development's unique location, elevated above the village of Hirafu, forms the very foundation of the exclusive Skye Niseko experience and provides skiers with direct ski-in ski-out access to all major lift systems in scenic Grand Hirafu.

Skye Niseko 253 is a 3 bedroom, 3 bathroom ski in to the door apartment that boasts panoramic Hirafu Kogen ski slope views. The layout is spacious with the living/dining/kitchen all open plan with stunning ski hill vistas through wall to wall glass. All bedrooms are ensuite and offer fantastic ski hill views.
