

DRIFT NISEKO LOT A

Hirafu's premier Onsen housing estate

Nestled in a tranquil forest overlooking the magnificent Mount Yotei as well as Mt Annupuri, and bordered by the Osawa River, Drift Niseko is a collection of 14 fully-serviced housing lots, each with onsen water supply to the boundary.

New to the market in December 2019 and with convenient access directly off Route 343, the stunning 20,900 square-metre estate combines spectacular natural protected vistas which take in the Hirafu and Niseko Village ski areas along with Mt Yotei, all whilst conveniently located only 500 metres from the centre of Hirafu Village and ski lifts.

Hirafu Village will not see another villa sub-division this close to the main village again.
