

## LARGE MIDDLE HIRAFU DEVELOPMENT LAND

Niseko Realty is pleased to present a very rare land offering in Hirafu Village that is well located a short distance to the center lights of town along with close proximity to a abundance of Hirafu's finest eateries. The block also sits across from the future Metropoly land development.

This land has a great outlook up to the Hirafu ski area while also offering views back to Mt Yotei. The land is a generous parcel that offers the buyer plenty of options to unlock it's potential. At 610 sqm the land is big enough to build a very large single family home, a set of townhouses or a small apartment block.
