Doctors Village Chalet

Doctors Village 2 bedroom Cottage is a great base for those looking to get out of the busy resort areas while still being a short drive to most amenities. You will love it out here; a backcountry skiers delight, great for families with ample outdoor area for little ones to play, and a positively superb retreat to bring your partner for a romantic getaway.

This cottage sits in a established quiet subdivision which is only 5 minutes away from Annupuri and Moiwa ski areas and even closer to some of the oldest and more natural onsens in the area. Close by you also have a good choice of eateries all which are well frequented in the winter months due to the top quality food on offer.

The house has been fully renovated with everything in the property down to the salt and pepper shakers being updated giving a nice new fresh feel to it.
