Hikari Town Houses

Newly completed in February 2021 and as yet unused, Hikari townhouses are located only a 10 minute walk to the family chair ski lift in Hirafu village. They have a contemporary look and feel with large 2nd floor living room windows to take full advantage of the seasonal Hokkaido views and colours. The set up is both practical and attractive.

Each of these two-bedroom units have a large genkan and two downstairs, ensuite bedrooms. Upstairs you will find an open plan kitchen and living area with an additional powder room discreetly located at the top of the stairs. Each townhouse (Hikari #1 & Hikari #2) has a parking space directly in front of the building.

Hikari #1 and Hikari #2 can also be purchased separately. In addition, the property has been furnished.
