Winterhaven Orchards

Winterhaven is a large stunning family home located at the back of The Orchards Niseko on one of only a few large prime lots. The Orchards Niseko is a full service sub-division with very popular on-site management for both winter and summer. The home is a short 2 minute drive to the center of Hirafu and the ski lifts along with all the areas dining and entertainment options.

The sense of arrival in Winterhaven is special, one that does not get replicated much in Niseko high end homes. You enter to a huge open foyer area with grand stairs leading you to the 2nd floor. The heart of the house has a huge vaulted ceiling making this area seem even more special. Storage is a plenty in this house.

The home is very grand in design with focus on large families or multiple families to enjoy both in winter and summer. This truly is a well presented home that has had very little usage outside of the owners and their friends.
