

HIRAFU FARM LIVING

Calling all buyers looking for a stunning chalet site or for a few friends who would love to build close to each other right on Hirafu's doorstep. Niseko Realty are pleased to offer this amazing piece of dirt for sale just a short 2 minute drive to the center of Hirafu and equal distance to Kutchan town.

Hirafu outskirts

The land has some beautiful topography making for easy builds and low cost foundations. The land runs along a large section of working farm allowing for a stunning 180 degree view towards both Hirafu ski fields and Mt Yotei. This land is certainly special and very unique for the proximity to all the action.

Land 15,131 m2

Power is to the boundary and water would be from bore water.

We expect this block will not be around for long.
