

HIGASHIYAMA LARGE LAND SITE

Backing up to a creek, this site has stunning, protected views of our beloved Mount Yotei, as well as the ski hills of Niseko United. The site boundary goes from the main road all the way back to the creek.

This generous double-lot is well suited to either a private or commercial property, and virtually flat, will make for an easy build.

Located only a 2-minute drive or 15-minute walk to the Niseko Village Bansai ski lift, and a 2-minute walk to the Niseko United Bus Stop in Higashiyama. The famous Milk Kobo is only a short stroll down the road, including Prativo and Mandriano restaurants.

Sites this size in the Niseko Village area are rare.
