

HIRAFU PRIME MIDDLE VILLAGE LAND

Niseko Realty are pleased to present this well located block of land in the Hirafu Middle Village. The land is only 190 meters from the center of Hirafu making easy access to all the shops, cafes & restaurants. Some iconic eateries and bars are right on the lands doorsteps such as Steak Rosso Rosso & Bar Gyu.

The block is a small one at 165 sqm but offers so much in terms of views and location. It is a perfect platform to build a compact family chalet right in the heart of it all or some sort of commercial building.

Blocks in the village are becoming rare indeed especially in this type of location.
