SKYE NISEKO PENTHOUSE – YOTEI SOUTH

A rare chance indeed, *all* Penthouse buyers must seriously consider this SKYE Yotei South 3-bedroom 3-bathroom Penthouse which leaves nothing between you and one of the best views in Upper Hirafu. The 4 meter glass façade places majestic Mount Yotei in the background of the dining/lounge area and master bedroom with the Kogen ski slopes from the 2nd master in full view.

The two private balconies each have their own unique features to make your winter stay more comfortable: One has an outdoor onsen fed with natural mineral water to soak in after a big day of Niseko powder snow, the other a fire-pit to gather around and enjoy a hot chocolate after returning from a evening of exploring Niseko's finest eateries. Both have stunning views of Mount Yotei.

The Penthouse also comes with access to underground parking the owners can use during their stay.
