SKYE NISEKO CORNER YOTEI VIEW – STUDIO 558

Skye Niseko 558 is a spacious corner unit on the 5th floor. Studio units are in high demand and do well in the rental pool. This rare Ski-In/Ski-Out studio is no exception, featuring stunning views of Mount Yotei.

Opened in 2018, Skye Niseko is a stunning collection of apartments and penthouses, forming the first privately owned condominium-hotel located within the breathtaking Hokkaido National Park. The development's unique location, elevated above the village of Hirafu, forms the very foundation of the exclusive Skye Niseko experience and provides skiers with direct ski-in ski-out access to all major lift systems in scenic Grand Hirafu.
