Birch Grove

Birch Grove is the perfect place for families, small groups and friends.

Designed and built by local architect/builder Makoto Begley, Birch Grove is nestled in Hirafu Village at the foot of the world-famous champagne powder of Niseko.

Constructed on 3 levels with comfortable and flexible sleeping for 8, Birch Grove boasts a fabulous split level open-plan living and dining on the top floor. After a hard day's skiing you can slump into leather lounges with picture-postcard views of spectacular Mount Yotei from floor to ceiling windows.

The expansive dining table for 8 can be enjoyed with your own kitchen magic, or stroll out into the crisp evening air to experience one of the many restaurants in Hirafu Village.
